ACADEMIC EMPLOYMENT

- Assistant Project Scientist** July 2014 –
California National Primate Research Center
Department of Psychiatry and Behavioral Sciences
University of California, Davis
Davis, California
- Affiliated Researcher** Sept 2012 –
International Institute for Human-Animal Networks
School of Veterinary Medicine
University of California, Davis
Davis, California
- Adjunct Instructor** June 2009 –
Department of Psychology
Le Moyne College
Syracuse, New York

EDUCATION & TRAINING

- Postdoctoral Fellow, Neuroscience & Systems Science (K99 funded)** Sept 2013 –
California National Primate Research Center
Department of Psychiatry and Behavioral Sciences
Department of Population Health and Reproduction
University of California, Davis
Davis, California
July 2014
- Postdoctoral Fellow, Neuroscience (F32 funded, 2011-2013)** July 2008 –
California National Primate Research Center
Department of Psychiatry and Behavioral Sciences
University of California, Davis
Davis, California
Aug 2013
- Ph.D., Psychology** May 2008
Boston College
Chestnut Hill, Massachusetts
Dissertation: Learning the Affective Value of Others under Minimal
Conditions
- S.B. with Honors, cum laude; Biology & Psychology** May 2002
Boston College
Chestnut Hill, Massachusetts
Honors in Psychology, Advanced Standing in Biology,
Honors Chemistry Program
Honors Thesis: Sex differences in emotion knowledge: Comparing self-
report and performance measures

GRANT SUPPORT

CURRENT

R01 GM114017
National Institute of General Medical Sciences
Determining the Dynamic Influence of Social Networks on Development and Health Trajectories
Role: Co-I (PI: Brenda McCowan, UC Davis)
\$3,496,542
July 2015 –
June 2020

K99 MH10138
National Institute of Mental Health
Neural Networks Supporting Social and Emotional Behavior
Role: PI
\$163,469
Sept 2013 –
Aug 2015

OD011107
Office of the Director of the National Institute of Health
Base Grant of the California National Primate Research Center
Supplemental Funds for Pilot Data Collection
\$20,311
April 2014 –
April 2015

PENDING

R00 MH10138
National Institute of Mental Health
Neural Networks Supporting Social and Emotional Behavior
Role: PI
\$747,000
Sept 2015 –
Aug 2018

R21 HD086356
National Institute of Child Health and Development
Individual Differences in Early Autonomic Nervous System Activity
Role: PI
\$275,000
Sept 2015 –
Aug 2017

R21 HD086625
National Institute of Child Health and Development
Development of a Social Responsiveness Scale for Monkeys
Role: Co-I (PI: Lisa Parr, Emory University)
\$275,000
Dec 2015 –
Nov 2017

R01 MH108748
National Institute of Mental Health
The Neurobiology of Behavioral Inhibition
Role: Co-I (PI: David Amaral, UC Davis)
\$2,500,000
Dec 2015 –
Nov 2020

National Science Foundation
Drivers and Mechanisms Underlying Human-Macaque Coupled Systems Across a Socio-Cultural Gradient
Role: Co-I (PI: Brenda McCowan, UC Davis)
\$1,621,700

PAST
 F32 MH087067
 National Institute of Mental Health
The Anterior Cingulate Cortex's Role in Normal Socioemotional Behavior
 Role: PI
 \$120,951

July 2011 –
 Aug 2013

AWARDS & HONORS

Visiting Research Fellowship University of New South Wales, Sydney, Australia	2014
"Rising Star" Award Association for Psychological Science	2013
Excellence in Postdoctoral Research Award University of California, Davis	2013
Postdoctoral Scholars Association Travel Award University of California, Davis	2009
Boston College Graduate School of Arts & Sciences Commitment to Community Award Commencement Speaker	2008
Boston College Graduate School of Arts and Sciences Research Fellowship (\$2000)	2007
Neural Systems of Social Behavior Travel Award	2007
Graduate and Postgraduate Student Travel Award International Society for Research on Emotion	2006
Boston College Graduate Student Award for Service and Leadership	2006
Graduate Student Poster Award Winner at the annual meeting of the Society for Personality and Social Psychology	2005
Graduate Student Travel Grant Society for Personality and Social Psychology	2003
National Science Foundation Research Experience for Undergraduates Grant Recipient	1999 – 2002
Undergraduate Research Fellowship Boston College	1999 – 2001

TALKS & CONFERENCES

INVITED TALKS

American Society of Primatologists, Bend, Oregon	2015, June
University of California Davis, Social and Personality Psychology Brown Bag Series	2015, May
Society for Affective Science, Oakland, California	2015, April
University of California Davis, Veterinary Resident Roundtable	2015, Jan
Karolinska Institutet, Stockholm, Sweden	2014, Oct
California National Primate Research Center: Brain, Mind, and Behavior Unit Summer Speaker Series	2014, Aug
University of Amsterdam, Department of Social Psychology	2014, Jul
University of California Berkeley, Institute for Personality and Social Research	2014, Mar
University of New South Wales, Department of Psychology	2014, Feb
University of California Davis, Psychobiology Brown Bag Talk Series	2013, Oct
University of California Merced, Department of Psychology	2013, Oct
Wake Forest University, Department of Psychology	2013, Sep
Wake Forest University, Primate Center Seminar Series	2013, Sep
University of North Carolina Chapel Hill, Department of Psychology	2013, Sep
International Society for Research on Emotion, Berkeley, California	2013, Aug
American Society of Primatologists, San Juan, Puerto Rico	2013, Jun
City College of the City University of New York, Behavioral & Cognitive Neuroscience Colloquium	2013, Apr
Brooklyn College of the City University of New York, Psychology Department Colloquium	2013, Apr
Upstate Medical University, Department of Psychiatry Grand Rounds	2013, Feb
University of California San Francisco	2012, Dec
Massachusetts General Hospital, Center for Comparative Medicine, Innovative Enrichment Symposium	2012, Nov
University of California Davis, School of Veterinary Medicine, Veterinary Resident Training Program	2012, Oct
Northeastern University: Affective Science Institute	2012, Jun
National Cancer Institute: Basic Biobehavioral and Psychological Sciences Branch	2012, May
California National Primate Research Center: Brain, Mind, and Behavior Unit Summer Speaker Series	2011, Aug
California National Primate Research Center: Animal Care Staff Speaker	2011, May

Series

CONFERENCE ORGANIZATION

Brain and Emotion. (July, 2014). Signal day preconference of the European Association for Social Psychology meeting in Amsterdam. Co-organized with Dr. Suzanne Oosterwijk (University of Amsterdam).

INVITED WORKSHOPS

Social psychophysiological methods (February, 2014). University of New South Wales.

Social psychophysiological methods (August, 2013). University of North Carolina, Chapel Hill.

CONFERENCE TALKS

Bliss-Moreau, E., Moadab, G., Santistevan, A.C., & Amaral, D.G. (September, 2014). Social experience predicts social preference in *Macaca mulatta*. Paper presented at the annual meeting of the American Society of Primatologists, Decatur, GA.

Bliss-Moreau, E. (July, 2014). Early amygdala damage blunts affective reactivity but not affective learning. Paper to be presented at the Brain & Emotion Pre-Conference, Amsterdam.

Bliss-Moreau, E. (August, 2013). Cardiac markers of macaque affective state. Paper presented at the meeting of the International Society for Research on Emotion, Berkeley, CA.

Bliss-Moreau, E. (August, 2013). Macaque faces do not convey macaque emotion—situation and temperamental variance in monkey facial behaviors. Paper presented at the meeting of the International Society for Research on Emotion, Berkeley, CA.

Bliss-Moreau, E. (May, 2013). Animal models of emotion. Paper presented at the annual meeting of the Association for Psychological Science, Washington, DC.

Bliss-Moreau, E. (October, 2012). Experimental induced individual differences in social processing. Paper presented at the annual meeting of the Society of Experimental Social Psychology, Austin, TX.

Bliss-Moreau, E., Machado, C., & Amaral, D.G. (June, 2012). Affective valence modulates rhesus macaque cardiac responsivity. Paper presented at the annual meeting of the American Society of Primatologists, Sacramento, CA.

Bliss-Moreau, E. & Amaral, D.G. (April, 2012). Reduced sociality following damage to the macaque anterior cingulate cortex. Paper presented at the annual meeting of the Cognitive Neuroscience Society, Chicago, IL.

Bliss-Moreau, E. (January, 2012). Affective valence modulates rhesus macaque cardiac responsivity. Paper presented at the annual meeting of the Society for Personality and Social Psychology, San Diego, CA.

Bliss-Moreau, E., Toscano, J. E., & Amaral, D. G. (November, 2010). Neonatal amygdala lesions result in blunted affect. Paper presented at the annual meeting of the Society for Neuroscience, San Diego, CA.

Bliss-Moreau, E., Toscano, J. E., & Amaral, D. G. (August, 2009). Variation in adult socioemotional behavior following neonatal amygdala lesions. Paper presented at the meeting of the International Society for Research on Emotion, Leuven, Belgium.

Bliss-Moreau, E. & Barrett, L.F. (January, 2008). Individual differences in affective learning. Paper presented at the meeting of the Society for Personality and Social Psychology, Albuquerque, NM.

Bliss-Moreau, E., & Barrett, L.F. (August, 2006). Extraversion and minimal affective learning. Paper presented at the meeting of the International Society for Research on Emotion, Atlanta, GA.

CONFERENCE SYMPOSIA ORGANIZED

E. Bliss-Moreau & K.A. Lindquist (May, 2013). *New multidisciplinary evidence that emotions are constructed from more basic processes*. Association for Psychological Science, Washington, DC.

E. Bliss-Moreau (September, 2012), *Genes, brain, and Behavior: Nonhuman primate models of the social self*. Society of Experimental Social Psychology, Austin, TX.

E. Bliss-Moreau & K.A. Lindquist (January, 2012), *What physiology can (and cannot) tell us about emotion*. Society for Personality and Social Psychology, San Diego, CA.

L.F. Barrett & **E. Bliss-Moreau** (August, 2006), *Individual differences in sensitivity to positive information and affective processing*. International Society for Research on Emotion, Atlanta, GA.

POSTER PRESENTATIONS

2015

Chun, K.*, **Bliss-Moreau, E.**, Aston, S.A., Barrington, R. Shackett, J., Higley, J.D., Capitanio, J.P. (June, 2015). Behavioral inhibition characterized in infancy predicts sociability in adult rhesus monkeys (*Macaca mulatta*). Poster to be presented at the annual meeting of the American Society of Primatologists, Bend, OR.

Rothwell, E.*, **Bliss-Moreau, E.**, Moadab, G.*, Bales, K. (June, 2015). The parasympathetic system is sensitive to adult romantic attachment in a non-human primate model. Poster to be presented at the annual meeting of the American Society of Primatologists, Bend, OR.

Moadab, G.* & **Bliss-Moreau, E.** (April, 2015). Individual differences in autonomic responsivity persist following ketamine administration. Poster presented at the annual meeting of the Society for Affective Science, Oakland, CA.

Santistevan, A.C.*, Williams, L.A. & **Bliss-Moreau, E.** (April, 2015). Is there a social dimension to emotion? Using novel methodological approaches to revisit the structure of emotion. Poster presented at the annual meeting of the Society for Affective Science, Oakland, CA.

Rothwell, E.*, **Bliss-Moreau, E.**, Moadab, G.*, Bales, K. (April, 2015). The parasympathetic system is sensitive to adult romantic attachment in a non-human primate model. Poster presented at the annual meeting of the Society for Affective Science, Oakland, CA.

Zhang, J.*, Touroutoglou, A., **Bliss-Moreau, E.**, Mantini, D., Vanduffel, W., Dickerson, B.C., & Barrett, L.F. (April, 2015) Affective salience network in the macaque anchored in ventral anterior insula. Poster presented at the annual meeting of the Society for Affective Science, Oakland, CA.

2014

Bliss-Moreau, E. & Amaral, D.G. (November, 2014). Damage to the macaque anterior cingulate cortex impedes decision making and eliminates social preference. Poster presented at the meeting of the Society for Neuroscience, Washington, DC.

Zhang, J.*, Touroutoglou, A., **Bliss-Moreau, E.**, Mantini, D., Vanduffel, W., Dickerson, B.C., & Barrett, L.F. (November, 2014). Dissociable subsystems of the salience network in the macaque brain are anchored in the anterior insula. Poster presented at the annual meeting of the Society for Neuroscience, Washington, D.C.

Finn, K.R.*, Beisner, B.A., **Bliss-Moreau, E.**, & McCowan, B. (September, 2014) Affiliative Use of the Bared Teeth Display in Outdoor Captive Rhesus Macaques. Poster presented at the annual meeting of the American Society of Primatologists, Decatur, GA.

Zhang, J.*, Touroutoglou, A., **Bliss-Moreau, E.**, Mantini, D., Vanduffel, W., Dickerson, B.C., & Barrett, L.F. (September, 2014) Dissociable subsystems of the salience network in the macaque brain are anchored in the anterior insula. Poster session presented at the Fourth Biennial Conference on Resting State/Brain Connectivity, Boston, MA.

Chua, E.F. & **Bliss-Moreau, E.** (May, 2014). Feeling and knowing: An embodied cognition perspective on metacognition. Poster presented at the annual meeting of the Association for Psychological Science, San Francisco, CA.

Bliss-Moreau, E. & Amaral, D.G. (April, 2014). Early damage to the amygdala blunts affective reactivity but not affective learning. Poster presented at the meeting of the Society for Affective Science, Washington, DC.

2013

Bliss-Moreau, E. & Amaral, D.G. (April, 2013). Early damage to the amygdala blunts affective reactivity but not affective learning. Poster presented at the annual meeting of the Social and Affective Neuroscience Society, San Francisco, CA.

Chua, E., Mayers, S., & **Bliss-Moreau, E.** (April, 2013). Knowing your heart and your mind: Interoceptive accuracy correlates with metamemory accuracy. Poster presented at the annual meeting of the Cognitive Neuroscience Society, San Francisco, CA.

2011

Bliss-Moreau, E. & Amaral, D.G. (November, 2011). Anterior cingulate cortex lesions result in reduced social initiation in Rhesus macaques. Poster presented at the annual meeting of the Society for Neuroscience, Washington DC.

2008

Bliss-Moreau, E., Wager, T., Lindquist, K.A., Kober, H., Joseph, J., Davidson, M., & Barrett, L.F. (April, 2008). The valued brain: The neural reference space for core affect. Poster presented at the annual meeting of the Cognitive Neuroscience Society, San Francisco, CA.

Lindquist, K.A., Wager, T. **Bliss-Moreau, E.**, Kober, H., Joseph, J., Davidson, M., & Barrett, L.F. (April, 2008). Seeing emotion with your feelings: Meta-analysis of the neural reference space for emotion experience vs. perception. Poster presented at the annual meeting of the Cognitive Neuroscience Society, San Francisco, CA.

Kober, H., Barrett, L.F., Joseph, J., **Bliss-Moreau, E.**, Lindquist, K.A., & Wager, T. (April, 2008). Functional networks and cortical-subcortical interactions in emotion: A meta-analysis of neuroimaging studies. Poster presented at the annual meeting of the Cognitive Neuroscience Society, San Francisco, CA.

Bliss-Moreau, E., Sege, C.*, Blanco, A.*, Horvitz, J., Quigley, K., Balsam, P., & Barrett, L.F. (February, 2008). Individual differences in associative affective learning. Poster presented at the Emotion Pre-Conference, Albuquerque, NM.

Akpinar, A.*, **Bliss-Moreau, E.**, & Barrett, L.F. (February, 2008). Facial affect influences affective learning. Poster presented at the Emotion Pre-Conference, Albuquerque, NM.

Lindquist, K.A., Wager, T., **Bliss-Moreau, E.**, Duncan, S., et al. (February, 2008). Seeing with your feelings: Meta-analytic review of the neural reference space underlying perception vs. experience of emotion. Poster presented at the annual meeting of the Society for Personality and Social Psychology, Albuquerque, NM.

2007

Duncan, S.L., **Bliss-Moreau, E.**, Rauch, S., Wright, C.I., & Barrett, L.F. (May, 2007). The Amygdala in the Experience of Affect. Poster presented at the Neural Systems of Social Behavior conference.

Duncan, S.L., **Bliss-Moreau, E.**, Rauch, S., Wright, C.I., & Barrett, L.F. (May, 2007). The Amygdala in the Experience of Affect. Poster presented at the meeting of the Cognitive Neuroscience Society, New York, New York.

Bliss-Moreau, E., Barrett, L.F. & Wright, C.I. (2007, January). Minimal Affective Learning. Poster presented at the meeting of the Society for Personality and Social Psychology, Memphis, TN.

2006

Bliss-Moreau, E., Duncan, S.L., Lindquist, K., Barrett, L.F., & Owren, M. (2006, February). Valence and the Human Voice. Poster presented at the meeting of the Society for Personality and Social Psychology, Palm Springs, CA.

2005 AND EARLIER

Bliss-Moreau, E., Lindquist, K., & Barrett, L.F. (2005, July). Sex and Emotion Concept Manipulation. Poster presented at the meeting of the International Society for Research on Emotion, Bari, Italy.

Lindquist, K., **Bliss-Moreau, E.**, & Barrett, L.F. (2005, July). Language and the Perception of Emotion II. Poster presented at the meeting of the International Society for Research on Emotion, Bari, Italy.

Bliss-Moreau, E., Lindquist, K., & Barrett, L.F. (2005, January). Language and the Perception of Color. Poster presented at the annual meeting of the Society for Personality and Social Psychology, New Orleans, LA.

Lindquist, K., **Bliss-Moreau, E.**, & Barrett, L.F. (2005, January). Language and the Perception of Emotion. Poster presented at the annual meeting of the Society for Personality and Social Psychology, New Orleans, LA. ** Winner in Graduate Student Poster Competition

Bliss-Moreau, E., Feldman Barrett, L., Quigley K.S., & Aronson, K.R. (2004, February).

Interoceptive sensitivity and reports of emotional experience. Poster presented at the annual meeting of the Society for Personality and Social Psychology, Austin TX.

Sotomayor, V.*, **Bliss-Moreau, E.**, & Feldman Barrett, L. (2004, February) Sex Differences on the Levels of Emotional Awareness Scale in the Context of Experience Sampling. Poster presented at the annual meeting of the Society for Personality and Social Psychology, Austin TX.

Bliss-Moreau, E., Hristic, A., Feldman Barrett, L., & Tugade, M. (2003, February) Emotional v. Cognitive working memory. Poster presented at the annual meeting of the Society for Personality and Social Psychology, Hollywood, CA. **Honorable Mention in Graduate Student Poster Competition

Bliss-Moreau, E., Hristic, A. & Feldman Barrett, L. (2002, July) Sex differences on the Levels of Emotional Awareness Scale. Poster accepted for presentation at the meeting of the International Society for Research on Emotion, Cuenca, Spain.

Bliss-Moreau, E. & Feldman Barrett, L. (2002, February). Sex differences in emotion knowledge: A four domain model. Poster presented at the annual meeting of the Society for Personality and Social Psychology, Savannah, GA.

EXTERNAL SERVICE & ACTIVITIES

Founder, Emotion News, emotionnews.org	2014 -
Education Committee, American Society for Primatology	2014 -
Social Media Committee, Society for Affective Science	2014 -
Research Advisor, Oakland Zoo	2014 -
Admissions Essay Review Committee, Diploma Program in African Refugee Camps Jesuit Commons: Higher Education at the Margins	2011
Social/Personality Psychology Poster Reviews Association for Psychological Science (APS) Conference	2005
Planning Committee Member, Ignacio Martín-Baro Fund	2004 - 2005

INTERNAL SERVICE & ACTIVITIES

California National Primate Research Center Educational Outreach Team	2014 -
Workshop @ California National Primate Research Center: "How to get into grad school... and kick butt once you're there".	2013
Co-chair, Postdoctoral Scholars Association (included service on Advisory Council of the Dean of Graduate Studies)	2010 - 2011
Chair, Postdoctoral Scholars Association (included service on Advisory Council of the Dean of Graduate Studies)	2009 - 2010
President, Graduate Student Association	2005 - 2008
Member, College of Arts & Science Dean Search Committee	2006 - 2007
Member, Academic Vice President's/Provost's Advisory Council	2006 - 2007

Member, Professional Skills and Ethics Advisory Board	2002 - 2005
Psychology Department Representative, Graduate Student Association	2004 - 2005
Member, Steering Committee on Graduate Education and Research	2004 -2005
Coordinator of International Immersion and Education Trips, Volunteer and Service Learning Center	2003, 2004
Residential Life Staff	2002 - 2004
Psychology Department Honors Program Committee	2002 -2003
